Unfold Your Inner Magic with HOLO-SETS Presented By Dr. Richard Bartlett & Chella Ferrow

**HOLO-SETS (Holo-Synchronous
Energetic Technology Systems)
(with Russian Translation)**
September 21 - October 21, 2021
10 - Part Online Series

What new discoveries await you?

- Understand and become a living expression of the holographic language of the body
- Discover the instructive magic of the *Modules* as an outgrowth of the M.E.D. language
- Interact, integrate and apply the *Modules* as an unfolding creative expression
- Learn how to transfer and transmit this to others instantly!

Embody Principle as Practice

Can you take what you know and apply it to what you need? Follow the path to where knowledge and experience meet to create mastery!

By utilizing the key principle of trans-illumination, you will learn to see through a structure into an underlying pattern.

You can experience the fusion of principle with practice. M.E.D., interwoven with the *Modules* represents a trans-luminal language, whereby the person and the principle can be seen to be one and the same.

You will discover the harmonic interchange between the space of not-knowing and instant creative activity: Listen, Inspire, Apply!

What are the *Modules*?

We will be introducing and demonstrating the flowing language, which we have come to refer to as the *Modules*, which are the living geometric forms utilized in the HOLOSETS language. Modules are intelligent holographic software. Every color, angle and movement within these informational arrangements create intricate templates that function like lines and permutations of code that are designed to integrate with a person's holographic body, in order to perform specifically focused tasks and activities.

About The Instructors

Richard Bartlett, D.C., N.D., holds a doctorate in chiropractic from Parker Chiropractic College and a degree in naturopathic medicine from Bastyr University of Naturopathic Medicine. Dr. Bartlett has been teaching transformational seminars around the world to thousands of participants since 2003.

Dr. Bartlett is the developer of Holo-Synchronous Energetic Technology Systems (Holo-SETS), Master Energy Dynamics (M.E.D.), and Matrix Energetics.

These paradigms utilize the principles and sciences of Subtle Energy and Quantum Physics, coupled with the incredible power of active imagination and focused intent to produce physically verifiable effects that often defy rational explanation. Miracles happen every day. Matrix Energetics, Master Energy Dynamics, and Holo-Synchronous Energetic Technology Systems provide the technology and scientific framework to allow for their everyday occurrence.

Dr. Bartlett is the author of the award-winning *Matrix Energetics: The Science and Art of Transformation*, *The Matrix Energetics Experience*, *The Physics of Miracles* (with Melissa Joy Jonsson), and *Into the Matrix* (with Melissa Joy Jonsson).

Chella Ferrow is a co-teacher of the HOLO-SETS and The Path of the Mystic seminars as per her availability. Chella is a South African artist and healing practitioner based in both New York City and Kwazulu-Natal, South Africa.
